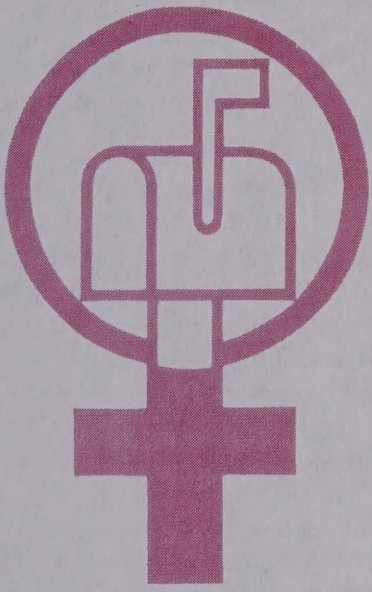
Can the women's movement reach you?



National Women's Mailing List

P.O. Box 68, Jenner, CA 95450

From the Grassroots a Mighty Network is Growing...

Sign up if you would like to receive mail in any of the interest areas listed on this registration form. Women's organizations will then be able to mail to you to keep you informed about feminist events, actions, publications, and services.

By filling out the registration form, you alone determine what kind of organization and/or individuals can mail to you. You will only receive mailings in those areas you have designated. Your wishes will be absolutely respected. No person's name will ever be entered into the data bank without her voluntary registration. At any time you can have your name removed from the list, however it's doubtful that you will want to. The mail you get as a participant in the network is feminist mail from women's organizations that you probably would not otherwise receive.

A partial listing of the kinds of mail being sent out to members of the network is on the back of this registration form.

Help Build the Network

The NWML grows because women and women's organizations help distribute registration forms to their friends and associates. All share a vision of a network of one million feminists who can unite around common interests and concerns. NWML provides the women's movement with an effective response to the mail-based networks of anti-feminist groups like the Moral Majority. Please request additional brochures to distribute in your area so that we can build a true feminist majority.

If your organization is willing to include this brochure in its own mailing in exchange for mailing lists from us, please contact the NWML for details.

What kind of mail will you receive?

Depending upon what interest area you selected, you will be hearing from any or all of the following:

- Women's literary and art journals
- Women's publishing houses
- Producers of women's music
- Announcements of spiritual retreats
- National women's studies programs
- Tours for women
- AND MUCH, MUCH MORE...

Look for the initials "NWML" on your mailing labels to know what is coming to you as a result of your participation in this network.

Mail will begin arriving within 6-8 weeks. Be sure to send in a change of address postcard when you move so we can keep you in the network.

Registration Cost: This is an unfunded grassroots project which depends upon donations from the women who participate in the network. A donation of $3.50 will pay for the costs associated with processing your registration form. If you cannot affort to donate, please fill out and return the registration form anyway. It is crucial that all women participate in a network that serves women's needs.

The Moral Majority can mail to over 5 million of their supporters. Feminists, too, must have this capability. Donations of $10-25 will help pay for the urgently needed publicity to enable the network to reach its target of 100,000 participants and continue growing to 1 million.

The light of the chandelier was lost to the gleam of their eyes. The women - thousands of women - filled the Great Hall. The multitude of colors that swirled through the room would have shamed the vainest rainbow. Their clothing was of every hue and texture. Their skin tones were of teak and honey and pearl. Their eyed ranged from the black of a velvet night to the twany brown of a hawk's wing to the palest blue of a morning sky. The walls quivered with the buzz and murmur of spoken conversations, while signers' hands broke the air like fluttering birds.

The matriarchs had come from every corner. The council to be held here would effect all of their lives, all of their tribes' lives. The time was short, and the task before them formidable. Rabid wolves were at the door.

For years, the tribes had quarreled and bickered among themselves while their enemies had cursed and threatened their mother-loving souls. The predators had run alone, or in small packs, and the women had scoffed at them. Now, those murderous fools were forming into frenzied mobs. If they coalesced before the daughters of the matriachy marshalled their collective force, much wooould be lost. Much had already been lost. The time to act was now.

And so, the Great Hall was filled...

Did this happen in centuries past? Perhaps. Will it happen again? It will happen in Atlanta in April - with your help...
